### FOLK INDORSED BY COUNTY CONVENTION,

Democratic Gathering at Kirkwood Passes Off Without Interruption by "Indians."

#### ACTION OF THUGS DENOUNCED.

Vandiver Starts a New Campaign Cry Against Butlerism, Boodle and Brutality-Delegates Selected.

In striking contrast to the riotous pro-ceedings at Clayton last Tuesday, was the St. Louis County Democratic Convention held in Kirkwood yesterday in Armory Hall.

The session was an adjourned meeting of the convention opened at Clayton, where the Probate Courtroom was broken into by force by outsiders and the regular dele-gates forced to fiee for their personal

scent, but none of them appeared to make any trouble.

The convention indorsed Joseph W. Folk for Governor and instructed the delegates elected to the State Nominating Convention to vote and work for him and do everything in their power to insure his nomination.

Resolutions denouncing in strong language the rough tactics employed by the opposition at Clayton were adopted, amid cheering. The local county organ was also condemned as being nonrepresentative of Democracy.

While the committees were reporting during the noon recess, Congressman Vandiver addressed the convention and started a new campaign cry, denominating the Clayton disturbances as the three B's—Butlerism, boodle and brutality.

D. C. Taylor of Manchester, who was hurled against the glass door of a bookcase in the Clayton meeting, was elected permanent chairman. In his speech he said that if the riotous crowd at Clayton represented Democracy he was not a Democrat. He said the hoodlums represented the man for whom Hawes was a stalking horse, and that he would not vote for him.

J. T. Appler called the meeting to order. The committees appointed were as follows:

J. C. A. Hiller of Grover was made permanent secretary, George L. Frazer of Glencoe assistant secretary, and Jesse Joplin of Eureka sergeant-at-arms.

A committee consisting of W. H. Biggs of Benhomms, Julius H. Bohn of Carondelat, Ernest Marshal lof Central, C. L. Shotwell of Meramec and H. J. Moynihan of St. Ferdinand was appointed to decide on the number of delegates each township should be entitled to at the various conventions. The committee reported that in the Judicial Convention Bonhomme Township should have one delegate, Carondelet one, Central three, Meramec one and St. Ferdinand two, and that the same ratio should prevail in the State Nominating and State Delegate conventions.
